ABOUT MSEC

Meenakshi Sundararajan Engineering College (MSEC) was established by the IIET Society in 2001. This institution is a part of the prestigious KRS Group of Institutions, which also includes the renowned IIET (Indian Institute of Engineering Technology), established in 1947 by our Founder, Late Shri K. R. Sundararajan, a visionary educationist and philanthropist who founded the well-known Meenakshi College for Women and the Meenakshi Sundararajan School of Management. The institutions on the KRS Campus are known for the quality education and discipline. We have consistently outshone our peers not only in academics but also in co-curricular activities. The institution is committed to imparting engineering education to young men and women, grooming their overall personality with the highest emphasis on ethical values, and preparing them to face the challenges of the industry, nation and abroad at large.

ABOUT THE CONFERENCE ICTAGI 2026

International Conference on Transformative AI for Global Impact is a premier gathering of Experts, researchers, practitioners, and industry experts. The conference focuses on exploring how Artificial Intelligence transforms industries, society, health sector and sustainability. The conference will be held at Meenakshi Sundararajan Engineering College, Chennai, India, from August 12th – 14th, 2026. It provides a premier interdisciplinary platform to discuss the most recent innovations, trends, and concerns, as well as practical challenges encountered and solutions adopted in the fields of Artificial Intelligence and its global impact.
